1	**About the College**	

Institution Overview

JEPPIAAR College of Arts and Science, located at OMR, Padur, Chennai, Tamil Nadu, was instituted in 2019 under the aegis of the Sivaraja Ramalingam Trust as a co-educational institution. Approved by the Government of Tamil Nadu and affiliated to the University of Madras, the college is dedicated to fostering holistic higher education in alignment with the University Grants Commission (UGC) norms. The sponsoring trust, established with a philanthropic vision, has a legacy of serving society through education, with trustees possessing extensive experience and expertise in the field. This commitment drives the establishment of various institutions aimed at societal development, positioning JEPPIAAR College of Arts and Science as a beacon of excellence in arts, commerce, and science programs.

The college embodies the visionary dream of its late founder, Late Col. Dr. Jeppiaar, who championed an enriching educational ecosystem that hones life skills, innate talents, and professional competencies. Nestled in a serene, salubrious environment away from Chennai's urban frenzy, the sprawling campus features state-of-the-art infrastructure, including advanced laboratories, a well-stocked library, digital classrooms, and sports facilities, ensuring students engage with cutting-edge developments across disciplines.

Currently, the college operates an Internal Quality Assurance Cell (IQAC) to uphold academic standards and is actively preparing for NAAC accreditation, targeting an A+ grade. Recognition under UGC Section 2(f) is under process, reflecting our pursuit of excellence and eligibility for central assistance. With a focus on inclusive growth, the college serves a diverse student body, promoting equity, sustainability, and global citizenship.

https://jeppiaararts.in/about/

Vision

To be recognized as a premier institution of academic excellence, delivering world-class education to students from all sections of society, empowering them to address global challenges, embrace emerging trends, and uphold environmental and ethical values, thereby nurturing responsible citizens and innovative entrepreneurs.

Mission

- To offer academic programmes that will enable the students to be dynamic entrepreneurs or employable graduates.
- To make them realize the richness of India's diversity, tradition and culture.
- To inculcate among them the ethical, moral and social values and the significance of sound health.
- To inspire them to be an asset to the society with positive and creative attitudes.

To provide an educational environment for creating global competencies and to bridge the gap between industry and academics.

Annual Report - (AY 2024 – 2025)

1. Executive Summary

Jeppiaar College of Arts and Science, established in 2019 under the Jeppiaar Educational Trust and affiliated with the University of Madras, has rapidly evolved into a vibrant centre of higher learning committed to quality education, student development, and academic excellence. The institution upholds the vision of providing inclusive and accessible education, fostering intellectual growth, ethical values, and employability among learners.

During the reporting period, the college offered a range of undergraduate Programmes across Commerce, Management, Science, and Humanities disciplines. Academic delivery was strengthened through structured curriculum planning, qualified faculty recruitment, continuous internal assessment, ICT-enabled teaching, and systematic academic monitoring through the IQAC.

The institution continued to expand its infrastructural capabilities, including modern classrooms, well-equipped laboratories, an updated library with physical and digital resources, and active student development centres. In alignment with regulatory norms, statutory committees including the Grievance Redressal Cell, Internal Complaints Committee, Anti-Ragging Cell, and Student Counselling & Mentoring Unit remained functional and responsive.

Faculty engagement in academic development—from research publication, seminar participation, and Faculty Development Programmes—contributed to the institution's scholarly culture. The college also strengthened its linkages with industry and community through placement initiatives, NSS activities, eco-awareness programmes, and collaborative undertakings.

This report highlights the key academic accomplishments, institutional development initiatives, faculty and student achievements, financial management practices, and governance structures that reflect the college's commitment to quality and accountability. With sustained focus on continuous improvement, Jeppiaar College of Arts and Science remains dedicated to nurturing competent graduates and contributing positively to higher education and societal development.

4. Governance & Administration
Statutory Committee

Jeppiaar College of Arts and Science constitutes the following statutory committees in accordance with UGC regulations, University of Madras guidelines, and Government of India directives to ensure student welfare, campus discipline, impartial grievance procedures, and fair academic conduct.

a. Anti-Ragging Committee

The Anti-Ragging Committee is established to maintain a safe, respectful, and welcoming environment for all students. The committee enforces regulations to prevent any act of physical or psychological harassment related to ragging.

Committee Members include:

- Principal
- Head of the Departments
- Mrs. Parvathavardhini A
- Mr. Delwin Jijo R K
- Mr. Elanchezhiyan B
- Mr. Kanmani Raja P

The committee works proactively to cultivate a culture of dignity, mutual respect, and peer responsibility.

b. Grievance Redressal Committee

The Grievance Redressal Committee provides a transparent and confidential platform for students and staff to express academic or administrative concerns.

Committee Members include:

PRINCIPAL
JEPPIAAR COLLEGE OF ARTS & SCIENCE
OMR, IT HIGHWAY, PADUR,
CHENGALPATTU DT - 603 103

- Principal
- Head of the Departments
- Ms. Thirumagal S – Internal Member – Department of English
- Mr. Kanmani Raja P – Internal Member – Department of Mathematics
- Ms. Dharshini Joy R K BBA (2020-2022)– A Student Representative (Special Invitee)

This committee ensures that institutional decision-making remains student-centered and fair.

c. Internal Complaints Committee

(In compliance with the Prevention of Sexual Harassment (PoSH) Act, 2013)

The ICC is constituted to address issues of gender harassment, ensure gender sensitivity, and maintain a zero-tolerance stance toward any form of harassment / misconduct.

Committee Members include:

- Principal
- Dr. Jaya G – Head, Dept. of Commerce
- Mrs. Rajeswari K – Head, Dept. of Business Administration
- Dr. Jayaselvi S – AP, Dept. of Commerce
- Dr. Banupriya A R – AP, Dept. of Tamil
- Mr. Delwin Jijo R K – Director of Physical Education
- Ms. Priya Jemima T – External Member

The ICC reinforces a safe academic environment where every individual, irrespective of gender, can pursue education with dignity.

d. Examination Cell

The Examination Cell oversees the administration, conduct, and integrity of all internal and external evaluations.

Members include:

- Principal – Chief Superintendent
- Dr. Maharajan S – Additional Superintendent
- Dr. Jaya G – Assistant Superintendent
- Other Department members

The Examination Cell safeguards the academic integrity and credibility of assessment procedures through systematic planning and oversight.

b. Placement Data

Jeppiaar College of Arts and Science has consistently demonstrated strong industry integration and employment readiness through its campus recruitment efforts, resulting in 100% placement for eligible final-year students. Our learners have been successfully placed in esteemed organizations across diverse sectors, including leading corporate and media firms such as AGS Health Care, Altruist, Cognizant (CTS), Data Patterns, Decathlon, Equitas, NEXO, Transtellar Company, Yukesh Groups, NR Media Pvt. Ltd., ABI Media Works, Tamizha Talks, Phoenix Capitals, and USAM. These collaborations reflect the college's commitment to nurturing professionally competent graduates, fostering domain-specific skills, and ensuring career pathways that align with industry standards and expectations.

6. Quality Assurance Report

a. **Events conducted:**

During the academic year 2024 - 2025, IQAC at Jeppiaar College of Arts and Science organized a series of capacity-building and pedagogical enrichment programmes aimed at elevating teaching quality, faculty competency, and institutional innovation. On 24 July 2024, a seminar on "Creativity and Innovation in Pedagogy using BTL as a Tool" led by Dr. Jaya Selvi S, President of Research Cell, EDC, and IIC, provided faculty with structured insights into learner-centered instructional design and outcome–oriented pedagogy. This was followed by an FDP on 30 August 2024 titled "Fostering Creativity and Innovation using Technology," which included a specialized session on Income Tax and GST facilitated by Dr. Suguna R, offering interdisciplinary awareness beneficial for both commerce education and applied business training.

Further strengthening institutional teaching-learning quality, IQAC hosted a multi-day faculty development programme from 7–10 December 2024 on "Empowering Educators: Integrating Language Proficiency, Computing Skills and Aptitude Training for Enhanced Placement Outcomes." The FDP was conducted by a multidisciplinary team consisting of Dr. Lavanya L, Principal, along with senior faculty from English, Computer Science & Applications, and Mathematics. This initiative empowered educators with integrated instructional approaches to strengthen linguistic precision, digital literacy, analytical reasoning, and placement-aligned skill development in students. Collectively, these events reflect the commitment of IQAC to foster academic excellence, strengthen faculty expertise, and sustain a progressive culture of continuous improvement in the institution.

b. **Internal Evaluation & Feedback Mechanism by IQAC**

The Internal Quality Assurance Cell (IQAC) ensures a structured and transparent system of academic evaluation and feedback that supports a student-centered learning environment and continuous improvement in instructional delivery. Internal assessment processes are conducted in alignment with university guidelines and institutional academic policy, incorporating periodic

PRINCIPAL
JEPPIAAR COLLEGE OF ARTS & SCIENCE
OMR, IT HIGHWAY, PADUR,
CHENGALPATTU DT - 603 103

class tests, assignments, project work, and semester-based evaluations. IQAC oversees the academic scheduling of assessments, monitors uniformity in evaluation standards, and ensures faculty adherence to established rubrics and objective marking practices.

Feedback mechanisms through ERP are actively integrated into academic review cycles. Student feedback on teaching effectiveness, course content, classroom engagement, and overall academic experience is collected through online and written modes at periodic intervals. Faculty also engage in self-assessment and peer review processes, enabling reflective improvement and pedagogical refinement. The IQAC consolidates and analyzes feedback data to identify strengths, gaps, and enhancement areas, subsequently sharing actionable insights with departments and individual faculty members.

Through this structured framework, IQAC promotes accountability, encourages pedagogical innovation, and ensures that the institution evolves in response to learner needs and academic standards. The mechanism fosters a culture of openness, scholarly reflection, and continuous academic improvement, reinforcing the institution's commitment to quality enhancement and educational excellence.

c. Infrastructure

Jeppiaar College of Arts and Science provides an academically supportive and learner-friendly campus environment with well-planned physical and technological infrastructure. The institution comprises three academic blocks housing administrative offices, classrooms, and specialized learning spaces. It is equipped with three fully functional computer laboratories, each supported with updated software resources and stable internet access to facilitate ICT-based learning and programming practice.

The college features a spacious auditorium for cultural programmes, large gatherings, and official ceremonies, along with a well-appointed seminar hall designed for academic meetings, workshops, presentations, and invited lectures. Classrooms are well-ventilated and adequately furnished, ensuring comfort and conducive learning conditions throughout the day.

A fully equipped central library remains an essential intellectual resource on campus, enriched with a wide collection of textbooks, reference volumes, journals, magazines, newspapers, and department-specific reading materials. The infrastructure also includes accessible restrooms on all floors and well-maintained stairways, with hygienic and maintenance standards upheld across the campus.

Collectively, the campus infrastructure supports academic engagement, technological competence, co-curricular development, and overall student well-being, reflecting the college's commitment to providing a safe, efficient, and inspiring educational environment.

The club conducts robotics workshops, coding sessions, and hands-on projects, inspiring innovation and creativity in the field of artificial intelligence and automation.	https://jeppiaararts.in/activities-clubs-twister-bot/
Placement Cell **Overview** The Placement create the student's fulfilment of the studies. The Career future development of the student is identified by the individual attention. The unique creative Job identification for student interested area analysis for the placement. Placement opportunities validate and complete students' educational investment value future. Personalized career counselling helps identify each student's unique career development path and achieve their ambition. We creatively identify job opportunities by analysing each student's specific interests and strengths.		https://jeppiaararts.in/placement-and-training-placement-and-training-cell/
Student Grievance Redressal Committee Student Grievance Redressal committee aims to maintain a harmonious and supportive campus environment by promoting mutual respect and cordial relationships among all members of the college community. It ensures that concerned authorities respond promptly and remain accountable in handling complaints, while also using the feedback received to recommend corrective actions and continuous improvements in institutional practices and policies. **Student Grievance Redressal Committee Members:** • Principal • Head of the Departments • Ms. Thirumagal S – Department of English • Mr. Kanmani Raja P – Department of Mathematics • Ms. Dharshini Joy R K BBA (2020-2022)– A Student Representative (Special Invitee) **Contact:** studentgrc@jeppiaararts.in ; +91 737008 7008		https://jeppiaararts.in/constitutions-of-grievance-redressal-committee/
Internal Complaints Committee In accordance with the UGC Regulations, 2015, on the Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students in Higher Educational Institutions, the College has constituted an Internal Complaints Committee (ICC). The ICC functions as the primary body for addressing grievances related to sexual harassment. It ensures a safe and supportive environment for women on campus.		https://jeppiaararts.in/internal-complaints-committee/
